Dear Cattlemen,

The thirty-seventh annual NC BCIP Butner Bull Test Sale will be held at Noon on Friday, December 18, 2020 at the Granville County Livestock Arena. The bulls will be moved to the livestock arena on Thursday, December 17, 2020. All bulls sold have a floor of \$1750. Directions to the livestock arena are on the back of this catalog. If you would like to visit the bull test station you can call Greg Shaeffer (919.471.6872) to make an appointment. If you have any questions you can call Gary Gregory (919.515.4027).

At this time the sale will be conducted in person according to the regulations set by the state at the time of the sale. There will be an email blast sent out the week of the sale giving updates of any changes. If you do not get email blasts from the NC Cattlemen's Association you can contact the office (919.552.9111) and be added. You can also go to ebharris.com and register if you would like to bid online. If you would like to bid over the phone contact Gary (919.795.9696) or Bryan Blinson (919.422.9108) and we would be glad to help you (Please call at least by 11:00 am sale day).

The Butner Bull Test Station is located on the Butner Beef Cattle Field Laboratory which is managed by North Carolina State University Agricultural Research Service. The test and sale is sponsored by the North Carolina Beef Cattle Improvement Program and conducted through the cooperative efforts of the North Carolina Cattlemen's Association, North Carolina State Agricultural Research Service, North Carolina Department of Agriculture and North Carolina Cooperative Extension.

We would like to thank Zoetis Animal Health for donating the vaccines for the Butner and Waynesville Bull Tests. Their support of the bull test program is greatly appreciated.

To the sponsors of the Butner Bull Sale Catalog thank you for your support. Your help makes the central bull test program a success.

As always Greg Shaeffer and the staff at the Butner Beef Cattle Field Laboratory have done an excellent job with the care and development of the bulls at the Butner Bull Test Station.

In cases of inclement weather you can call 919.795.9696 after 12:00 noon on Thursday, December 17 to get a tentative plan. You can also call the same number after 8:00 am on Friday, December 18 to get the status of the sale.

The Most Profitable Calf is the Crossbred Calf.

"Crossbred steers with a 50:50 ratio of Continental European to British breed inheritance are likely to produce a more optimum balance between carcass quality grade and yield grade than crossbred or straightbred steers that represent either 100% British breed, or 100% Continental European breeding."
