Dear Cattlemen,

The forty-second annual Waynesville Bull Sale will be held on Saturday, December 4, 2021. We will be selling the bulls at the WNC Regional Livestock Center and the start time will be 11:00 am. All bulls will have a floor price of \$1,750.00. Directions to the sale site are on the back cover of this catalog.

The bulls will be moved to the sale site on Friday morning - December 3 and will be available for viewing in the afternoon. All bulls will need to be picked-up on sale day.

The Waynesville Bull Test Station is located at the Mountain Research Station, which is operated by the North Carolina Department of Agriculture. The test is sponsored by the North Carolina Beef Cattle Improvement Program and conducted through the cooperative efforts of North Carolina Cooperative Extension, North Carolina Department of Agriculture and the North Carolina Cattlemen's Association.

We would like to thank Will Morrow (Mountain Research Station, Superintendent), Kyle Miller (Bull Test Station, Manager) and the staff of the Mountain Research Station for the excellent care they have given the bulls again this year.

The sale will be conducted in person according to the health and safety regulations set by the state of North Carolina. There will be an email blast sent out the week of the sale with more details and how to bid if you are not able to attend the sale in person. If you do not receive email blasts from the NC Cattlemen's Association, contact the office (919.552.9111) to subscribe. You can also contact the numbers below for assistance with bidding.

In the case of inclement weather, call one of the phone numbers below after 10:00 am on Saturday, December 4th for a definite status on the sale.
